

Nexty

- Nexty - an advanced curtain track offering an outstanding combination of quality, functionality, and design features.
- A curtain track that emphasizes refined design in addition to easy installation and outstanding functionality.
- Rich color variation can choose the one which of match the interior design.

Nexty's Unique Feature

Smooth and quiet rollers

The key -
 an **advanced roller function**

Noiseless
 Wheel-type Roller

Reduces the noise when
 opening and closing the
 curtain.

Nexty Roller

Simple Design

The Nexty curtain track also provides a neat appearance when installed inside a window frame.

Nexty Rollers give beautiful expression to curtain folds

Freely revolving eye bolts allow curtain folds to neatly settle into each other.

End Cap M

Curtain returns that excel by design

With the End Cap M design, the end cap is installed by inserting from the front. That means easy rail installation even right up against a wall or air conditioner.

*Rail must be installed 6 mm (.24") from the back wall.

Return specifications include designs that shut out external light. Cap M available in two colors - silver and pearl beige.

Bracket Installation Interval and Allowable Curtain Load
